Re: TEA Designation for Calexico-County Enterprise Zone

Dear Mr. Luera,

Enclosed is our application to designate the geographic boundaries of the Calexico-County Enterprise Zone (CCEZ) as a Targeted Employment Area.

The CCEZ, designated as an Enterprise Zone on April 11, 2008, retroactive to October 15, 2006, requests that the California Housing and Community Development Department designate census tracts 119, 120, 121 and 122 located in the City of Calexico and Imperial County as a TEA based upon the information provided in this application.

This application will show that 58.63% of the households in tracts 119-122 are below the median income for Imperial County. This designation will help the CCEZ voucher a greater number of new hires in the Enterprise Zone.

Thank you,

**Daniel J. Fitzgerald
CCEZ Manager**
